

Church At Charlotte
Adoption Group Presents

A SPECIAL EVENING FOR ADOPTIVE FAMILIES

With National Speaker and Author

KARYN PURVIS, Ph.D.

Karyn Purvis is a psychologist and the co-author of *The Connected Child*, a book addressing the unique challenges for adoptive parents. Karyn is also the Director of Texas Christian University's Institute of Child Development, which hosts the Adoption Project and its Hope Connection camp. She helps families deal with post-adoption challenges and helps children overcome early traumas and deprivation.

A panel of local adoption experts will be at the event to answer questions and talk with families about post-adoption challenges after Karyn speaks.
